An additional 10 minutes must be added into the first hour of judging for the first walkthrough. Classes scheduled to start at, or after 12:00 noon will be listed to start “after noon” and must be judged in the order and ring listed in the judging program. Section 22. Limitation of Entries.
(Beginning at Paragraph 3)

When entries are limited, a club must designate an RAE class in the premium list. Dogs entered in this RAE class would be entered in both Advanced B and Excellent B, and the combined entry fee for these two classes must be paid. If due to entry limits an exhibitor cannot be entered in both the Advanced B and Excellent B classes the RAE class will be considered closed and any subsequent entries for this class will be unacceptable in their entirety.

However, a club at its discretion, may choose to establish a wait list in order to fill openings created by entries that are withdrawn prior to the event closing day. If a club is maintaining a wait list, this shall be stated in the premium. The full entry fee shall be refunded to an entrant whose entry is replaced by a wait-listed entry.

Section 22. Limitation of Entries.
(Beginning at Paragraph 3)

When entries are limited, a club must designate an RAE and a Rally Champion (RACH) class in the premium list. Dogs entered in this RAE class would be entered in both Advanced B and Excellent B, and the combined entry fee for these two classes must be paid. If due to entry limits an exhibitor cannot be entered in both the Advanced B and Excellent B classes the RAE class will be considered closed and any subsequent entries for this class will be unacceptable in their entirety.

Dogs entered in the RACH class would be entered in Advanced B, Excellent B and the Master class. The combined entry fee for these three classes must be paid. If due to entry limits an exhibitor cannot be entered in the Advanced B, Excellent B and Master classes the RACH class will be considered closed and any subsequent entries for this class will be unacceptable in their entirety.

However, a club at its discretion, may choose to establish a wait list in order to fill openings created by entries that are withdrawn prior to the event closing day. If a club is maintaining a wait list, this shall be stated in the premium. The full entry fee shall be refunded to an entrant whose entry is replaced by a wait-listed entry.

(The remainder of this section is unchanged.)

Clubs must designate an RACH class on their entry form if the entries are limited.

Identify that a club must accept an entry in its entirety for anyone entering the three required classes to obtain qualifying scores toward the RACH title, or if the limits have been met that will not allow the entry for all three classes to be accepted, the entry will be unacceptable in its entirety, just as is done for the RAE title requirements.
