Scent Work Sniff-N- Go

Saturday, March 3, 2018

1320 Freeport Blvd #107, Sparks, NV 89431

A Sniff-N-Go is a great opportunity to practice searches (blind or known – your choice) with your dog in conditions similar to a Scent Work Trial.

Scents used: Birch, Anise, and Clove.

Elements available: Interiors, Exteriors, Containers, Buried, and Handler Discrimination.

Entries are limited. Multiple dogs per handler will be allowed, but hides will NOT be reset for the additional dog(s).

There will be no crating available in the building. All dogs will need to be kept in your vehicle, similar to a trial situation.

There will be no placements or ribbons at this event, so you are free to leave after your run.

Cost will be \$5.00 one run per Element or \$20 for all 5 Elements in Novice.

Day of trial sign ups only:

- 9:30 – 10:00 Sign up for Novice/Advance
- 10:00 – 11:30 Novice/Advanced
- 11:30 – 12:00 Sign Up for Excellent/Master
- 12:00 – 2:00 Excellent/Master (Buried and H.D. only available to the Advanced Level)
