ACT1 Jumpers and ACT2 Jumpers are entry level Jumpers' tests for dogs that have not earned a title in any AKC Agility class. Dogs must have two passing ACT1J scores to earn the ACT1J title. Two passing ACT2J scores earn an ACT2J title. Both passing scores may be obtained under the same judge/evaluator. (you can have an ACT1 or ACT2 Standard title and be eligible to enter ACT1 or ACT2 Jumpers) .

Agility Course Tests are open to **all dogs fifteen (15) months of age or older** who have not earned any regular AKC Agility titles. Bitches in season are not eligible to enter. Dogs must be physically sound as described in Chapter 1, Section 3, Paragraph 7 of the Regulations for Agility Trials.

To acquire the title certificate and have the title added to a dog's record, the dog must be registered with the AKC.

AKC Partner applications will be accepted at the test by the judge/evaluator and submitted with test results. Dogs that are not AKC registered/listed may participate and their performance will be recorded by the AKC under a temporary recording number. This temporary recording number will be e-mailed to the owner and must be used when entering subsequent ACT events and when the owner registers/lists the dog. Note: Temporary recording numbers may only be used to enter ACT events

Entries must be made on the **Official AKC Agility Course Test entry form** and must include the **AKC Agreement, completed, fully signed, and legible**. Entries may be declined, and dogs removed for disease, viciousness, or other cause. Dogs must be kept on leash when not in the ring.
